

Hunter's Guide

- **Basic Preparation Hints:**
 - Now dress comfortably.
 - Dress in a team **costume** or theme....hint hint....there is a prize here!
 - **Bring a digital camera.** At then end, your pictures will be downloaded to PC for judging.
- **Strategy:**
 - Venues line up from **the Convention Center to the Ybor district.**
 - Venues consists of bars, clubs, restaurant and possible outside venue contributors.
 - The idea is to get through as many venues as you can. Remember, each venue has points that you have to earn. Points may be earned the following ways:
 - Now you must use strategy. Is hitting as many venues as you can to collect points better or is completing every task at a venue before you hit the next venue better?
 - In one, you hit them all, maybe not collecting the max at each
 - The other, you get all the points, but you may not get to all the venues
 - **Are venues the only way to get points?** No way. We have an added bonus. "Extra Credit." With the captain's kit, are places and tasks to perform. More points...more fun.
 - Many of the tasks require pictures. **Please make it easy on the judges and have one camera take all pictures and delete bad ones.** At the end, we will be downloading the photos for judging!
- **Prizes**
 - There are 1st, 2nd and 3rd place prizes.
 - There are other prizes as well, such as for best costume or theme. The other prizes are based on the pictures you take.....but we will not tell you which ones...**what is the fun in that?**
- **Finish**
 - **Remember, be prompt.** Get to the VIP Party and finish line at 10:00PM sharp.
 - If you are late, you will be assessed points.
 - 10:15PM - 100 points
 - 10:30PM - 200 points
 - 10:45PM - 500 points
 - 11:00PM - Are you serious?
